

DISTRICT 31 PARENTAL REQUEST FOR LOAN OF STATE TEXTBOOKS

The Illinois State Board of Education provides each school district within the State with the Illinois Textbook Loan Program. This program allocates funds on a yearly basis to each school district, based on the number of enrolled students. These funds must be used to purchase textbooks and instructional materials. The Illinois Textbook Loan Program helps to defray student registration fees.

Technically, items purchased with Illinois Textbook Loan Program funds belong to the State and parents/guardians are required to formally request for their children to use them. To do so, please complete and sign the form, below, and submit it along with the remainder of your child's registration documents.
