

Field Middle School Learning Center
Usage of Audio Materials
2009-2010

Field Middle School is fortunate to have a variety of audio materials, such as Playaways, in our collection for student use, both at school and at home. Given that these materials are more expensive to replace than standard books if lost or damaged, we ask that parents give permission before audio materials are loaned to their child.

My child, _____, has permission to check-out audio material from the Field Middle School Learning Center. I understand that I will be responsible for any loss or damages that may occur to the borrowed item. In addition, I understand that it is illegal to copy audio materials.
