A language other than or in addition to English is spoken in the home.

The W-APT screener is administered to determine a level of English proficiency.

In grades 1-8, all four domains (listening, speaking, reading, writing) are administered. In Kindergarten, only speaking and listening skills are assessed.

If a student scores below a 4.2 literacy composite (grades 1-8 only) and a 5.0 overall composite, the student is eligible for ELL/Bilingual Services. Parents are notified of student's eligibility. Once a student qualifies for services, the student is assessed annually with the ACCESS test.

English is the only language spoken in the home.

Student is placed in the general education program; no further action is necessary.
