## Now with more flexible schedules!

We now allow families the flexibility of a la carte registration for most day camps! Pick and choose the weeks you want to accommodate your family's busy summer schedule!

We have half-day options for ages 3-5, full-day camps for ages 5-13 and one-week camps to fill your child's summer. The choices don't stop there! We still offer payment plans, extended care and a lunch program from Kiddos Catering!

Don't forget Extended Care! Registration for Extended Care is also weekly. See page 10 for registration information.

We are committed to providing a variety of safe, active learning opportunities that promote teamwork, friendship and fun. Through individual successes and team activities, campers develop a stronger sense of self-confidence, while creating memories that can last a lifetime.

Camp groups are formed by age, school and/or ability. We try to keep an even ratio of boys and girls. Friendship requests are not available; children in the same camp will have the opportunity to be with their friends in other groups throughout the day.

Camp locations will be finalized in the spring and families will receive an e-mail with the Camp Parent Handbook and a packet with detailed information in May.
